

U11-13-15 A & B Teams - ALTERNATE PLAYER

All-Star Guidelines for Call-Ups have been updated. Effective from 2023-2024 onward, PMHA will provide each team with Alternate Player (AP) selections as determined by the evaluation process and in consultation with the PMHA Technical Director(s). APs will be included for all divisions. Each A and B team will have 5 APs – 2 Forwards, 2 Defence, and 1 Goaltender. Teams will be encouraged to include APs in practice but are not mandated to do so. It is the expectation of PMHA that the Head Coach will apply an equal rotation in calling up APs during the season. However, Tournament Call-Ups are not required to follow the rotations but are encouraged to do so where practical.

A player may be removed as an AP if, in the opinion of their coach and with the approval of the All-Star Director and Technical Directors, they are not exhibiting the required attendance, effort, or behaviour expected of them by their coaching staff.

This update does not apply to PMHA Developmental Teams (C & D).
